## MEMO

**Subject: Final year project viva-voce examination**

As the final year project viva-voce examination is considered to be an examination like other modules, the same academic regulations on examinations will be applied.

No persons other than the panel of examiners and the candidate(s) may be present at a viva voce examination.

Results (marks) from the presentation will be communicated to the department after the submission of the corrected final hard-bind and soft copies at the library.

These changes will take place with immediate effect.

Sincerely,

  
Prof. Dr. Ashraph Sulaiman  
Deputy Vice Chancellor Academics & Research
